# Virtual Training Series on CSEC/CSAM: Case Review

## DESCRIPTION

This case study discusses the procedure and the challenges of handling sexual assault investigations that involve multiple jurisdictions and agencies. The presenter will discuss the investigation, arrest, and trial process and outcomes for Douglas Scheider, a former law enforcement officer in Southwest North Dakota currently serving a life sentence without the possibility of parole for numerous sexual assault convictions in North Dakota, South Dakota, and Montana.

## ABOUT THE PRESENTER

### Special Agent Timothy Helmer

Timothy is a Special Agent assigned to the southwest region for the ND Bureau of Criminal Investigation and is currently stationed in Dickinson, ND. S/A Helmer has over 14 years of law enforcement experience and assists local, state, and federal agencies with a variety of investigations upon request. Investigations may include a variety of offenses ranging from narcotics, sexual assaults, burglaries, homicides, and fraud. S/A Helmer participates in a variety of boards throughout the southwest region. S/A Helmer also teaches Interview and Interrogation, Investigation of Sexual Assaults, and Crime Scene Processing at the Law Enforcement Training Academy, as well as many other local and state courses.
