

WHO WE ARE

Dakota Children's Advocacy Center

The Dakota Children's Advocacy Center (DCAC) provides a compassionate and effective way to bring services to children and families affected by abuse and neglect.

Our collaboration with law enforcement, CPS, and other local agencies significantly reduces the trauma associated with child abuse and improves case outcomes. We help to coordinate care and investigation from the first report to conviction and beyond, while keeping the child at the center of everything the team does.

We know that pain happens,
we know that abuse happens,
we know that trauma happens,
but at the DCAC, we know that
Hope Happens Here

HOW CAN YOU HELP ROOM SPONSORSHIPS

The Dakota Children's Advocacy Center continues to grow to meet the needs of the children and families we serve. With our expanded locations now fully operational, we have interview rooms, mental health therapy spaces, and welcoming family rooms that provide a safe, child-centered environment for healing. Each room requires ongoing updates, maintenance, and trauma-informed improvements to ensure every child feels safe and supported.

We are seeking community support through room sponsorships. Each room will have a professionally placed plaque near the door with recognition of the sponsor, along with social media recognition.

Our offices are where a child comes to give their statement and tell their experience with abuse or trauma.

Your sponsorship will ensure:

- Child-friendly furniture in the rooms
- Comforting spaces for family members
- Maintenance of forensic equipment
- More resources for us to provide compassionate and effective services
